

APPENDIX C
Gold OA Publishing Privileges

Gold OA Start Date	January 1, 2024
Gold OA End Date	December 31, 2024
Gold OA Program	Consolidated Billing in Arrears
Eligible Gold OA Publishing Journals (with associated Article Processing Charges)	<i>AIP Advances (\$1,500)</i> <i>APL Bioengineering (\$2,750)</i> <i>APL Energy (\$2,750)</i> <i>APL Machine Learning (\$2,750)</i> <i>APL Materials (\$2,750)</i> <i>APL Photonics (\$2,750)</i> <i>Structural Dynamics (\$2,750)</i>

1. Publishing Privilege

- a. AIPP shall publish all peer-reviewed material which are suitable for the Gold OA Publishing Journals (as defined in this Appendix C) and conforming to AIPP’s editorial standards, so that such articles and materials are available without charge to users of AIPP’s services, under the following conditions.
 - i. The submitting author is an Authorized User, affiliated with an Authorized Location, as defined in the Agreement (“Eligible Author”).
 - ii. The Eligible Author correctly identifies himself / herself as an Eligible Author under this agreement by selecting his / her institutional affiliation during submission.
 - iii. The Licensee has paid, in full, the Fees as specified in this Appendix C (see **Payment**, below).
 - iv. The article is a “primary research article,” “review article,” “perspective article,” or “tutorial article.”
 - v. The acceptance date of the article falls between the Gold OA Start Date and Gold OA End Date indicated in this Appendix C.
 - vi. The corresponding Eligible Author assigns a CC BY license to AIPP.
- b. If the affiliation of an Eligible Author, based on which the Licensee verifies eligibility, changes during the publication process to an affiliation not listed in **Appendix A**, the article will not be eligible under this Agreement.
